Understanding International Tax and Mastering Indonesia's Tax Landscape

A Collaborative Initiative for Tax Capability Building with DDTC Academy

2026

A graphic showing two award boxes from ITR World Tax. The left box is purple and the right box is grey. Both boxes contain the text '2026' and '5+ YEARS' at the top, 'ITR WORLD TAX' in the middle, and 'TOP TIER FIRM' and 'RANKED' at the bottom respectively. To the left of the boxes, the text 'International Tax Review (ITR), UK' and 'World Tax 2026' is displayed in orange and white.

WHY INDONESIA, WHY DDTC?

In today's borderless economy, tax is no longer local. It is global. Cross border transactions, international structures and evolving regulations demand more than basic knowledge. They require strategic understanding.

Indonesia stands out as a market of significant opportunity and growing complexity. As one of the world's largest and fastest growing economies, it offers strong potential. Its tax landscape continues to evolve, with increasing alignment with global standards and a stronger focus on compliance and enforcement.

To navigate this complexity, **the first and most fundamental step is continuous capacity building** through structured tax training. For institutions, investors and companies, capacity building is no longer optional. It is essential to turn tax into a **strategic advantage**.

Expertise in International Taxation

- ✓ Clear cross-border structuring
- ✓ Alignment with global standards
- ✓ Effective tax risk management
- ✓ Informed strategic decision-making
- ✓ Confidence in global transactions

Mastery of Indonesia's Tax Landscape

- ✓ Precise local implementation
- ✓ Compliance with domestic regulations
- ✓ Efficient tax position optimisation
- ✓ Strong operational execution
- ✓ Certainty in Indonesian tax obligations

Choosing the right learning partner is equally important. DDTC is a top tier tax institution in Indonesia, **recognised for combining deep local insight with a strong global perspective in both domestic and international taxation.**

Backed by multidisciplinary expertise, extensive experience, advanced research capabilities and cutting-edge technology, DDTC delivers **forward thinking solutions that set the standard in taxation services.** Sets the standards and beyond.

MENARA DDTC

As part of the DDTC ecosystem, DDTC Academy delivers **high impact tax training programmes** that build capability and bridge theory with practice, grounded in real experience and up to date insights from DDTC professionals.

Beyond internal professional development, DDTC Academy serves as a platform where the **spirit of knowledge sharing is expanded to the broader tax community.**

Offering a range of training models, DDTC Academy has been the only institution in Indonesia since 2019 to provide Advanced Diploma in International Taxation (ADIT) preparation classes **recommended by the Chartered Institute of Taxation (CIOT), United Kingdom.**

With more than 300 training programmes delivered and **over 16,500 participants** engaged, DDTC Academy has built a strong and diverse network across Indonesia and internationally.

Participants include taxpayers, policymakers, consultants, academics and professionals from various industries, reflecting its **role in strengthening tax knowledge and capacity** in an increasingly complex global environment.

DDTC has actively published **41 books**, which are frequently used as references by lecturers in developing their training materials.

Our lecturers are also supported by the extensive DDTC library, which houses over **5,000 taxation-related references from around the world.**

Through its **Human Resources Development Programme (HRDP)**, DDTC provides opportunities for its professionals to participate in various training programmes, pursue postgraduate studies, and obtain professional certifications from leading institutions and universities in **Indonesia and across 18 countries worldwide**.

This continuous investment in human capital has enabled DDTC professionals to earn **numerous nationally and internationally recognised certifications**, reflecting the strength and credibility of DDTC's expertise. The knowledge and experience gained through this process are **continuously shared and expanded** through the training programmes delivered by DDTC Academy.

- 50+** Short Courses, Training and Conferences at Reputable Institution and Universities Abroad

DDTC professionals are **frequently invited as speakers** at international forums, conferences and television programmes, where they share insights on Indonesian taxation, international tax developments, transfer pricing and other current tax issues.

DDTC Academy invites institutions, organisations and businesses to explore **collaborative initiatives and personalised training opportunities** designed to strengthen tax capability and practical expertise.

Joint Programmes, Lecturers, and Guest Speakers

DDTC Academy collaborates with partner institutions through jointly developed programmes, lecturer engagement and guest speaker initiatives. Supported by experienced professionals with globally recognised qualifications, these programmes combine academic perspectives and practical expertise.

Personalised Training Solutions

DDTC Academy also offers customised in house training programmes tailored to the specific needs of organisations and businesses. Delivered through online, onsite, or hybrid formats, each programme combines practical and case based learning with real business and tax scenarios.

DDTC partners with **over 40 universities in Indonesia** to develop future tax leaders through internships, recruitment, guest lectures, workshops and joint research.

Training topics include Indonesian Taxation, Fundamental of Taxation, Tax Management, Tax Incentives, Tax Control Framework, International Tax and Tax Treaty, Transfer Pricing, Global Minimum Tax (Pillar Two), Tax Dispute Resolution, Tax Compliance and Reporting, as well as Tax Communication and Humor.

Through strategic collaborations with **various leading international institutions**, we have successfully organised a series of joint seminars and professional training programs.

2023

[Public Webinar]

Uncovering Indonesian Tax Regulations through a Digital Platform

This webinar was held in conjunction with the launch of the DDTC Indonesian Tax Manual (DDTC ITM) 2023 e-book. The tax experts involved in this event included Simon Hofstaetter (the Austrian Tax Authority), Thomas Vanhee (founder of Aurifer, an award-winning boutique tax firm) and Rishabh Agarwal (chartered accountant).

These professionals were invited to share their experiences, insights and perspectives on how to obtain comprehensive sources of tax regulations in each country.

[In-House Training with Multinational Enterprise in India]

Indonesia Corporate Income Tax: Strategy and Best Practice

In this in-house training, we delivered materials on the treatment of corporate income tax in Indonesia. In addition to presenting best practices, we also shared practical strategies that could be directly implemented by the multinational enterprise.

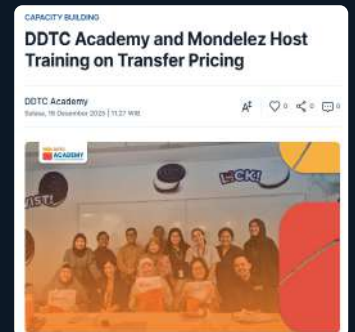

2024

[In-House Training with Multinational Enterprise in Poland & United Kingdom]

Transfer Pricing Landscape Update based on MoF Reg. 172/2023

This training provided the latest updates on Indonesia's transfer pricing landscape following the issuance of MoF Regulation 172/2023, along with the direct implications of the regulation for the participating multinational enterprise.

A Glimpse of DDTC Academy Collaboration Program with Company Who Lead The Industry
